

The Third Floor: an Angel Hill novel

Hell House. The Amityville Horror. The Haunting of Hill House. Horror author C. Dennis Moore invites you to the newest haunted house on the block, a place so mean, even in a town where strange is the norm, the stories surrounding this house are legend. The problem is theyâ€™re all true. THEIR NEW HOME IS OUT TO GET THEM Welcome to Angel Hill, Missouri, a town that shot blood from the ground at its own groundbreaking. There are only two roads in or out of Angel Hill, and everything within those borders is subject to the whims of reality. Those who grew up here are immune to the towns peculiarities. But Jack and Liz have just moved here, and for their young son, Joey, its almost like coming home again. As the Kitches settle into their new home, a large abandoned house in need of a lot of TLC, Angel Hill welcomes them the only way it knows how. Footsteps in the middle of the night. Voices on the phone. Their big empty house wasnt so empty after all. Theres a presence, and its growing stronger. And angrier. DOES MADNESS LIVE ON AFTER DEATH? A hulking figure stalks the halls while childlike voices whisper in mourning. And theres something unexplainable happening to Joey. His hair is shorter now, and his eyes ... they didnt used to be that color, did they? And that birthmark on his neck looks more like a scar every day. Jack doesnt want to believe his own eyes, but for Liz the threat is all too real, and its closing in. From the invisible shapes under the sheets, the eyes she feels on her constantly, and the banging coming from the third

floor ... is that something trying to get in? Or something wanting out? Welcome to Angel Hill. C. Dennis Moore is the author of REVELATIONS and "The Man in the Window" as well as over 60 published stories in the speculative fiction genres. THE THIRD FLOOR is based in part on his real experiences in the house on which this novel is based. His horror fiction has appeared most recently in VILE THINGS, WHAT FEARS BECOME, DARK HIGHWAYS, DARK HIGHLANDS 2 and DEAD BAIT 3. In the review of his first short story collection, TERRIBLE THRILLS, CEMETERY DANCE MAGAZINE called him "an author worth keeping an eye on."
