

Geologic and Tectonic Development of the North America-Caribbean Plate Boundary in Hispaniola (Special Paper (Geological Society of America))

PROJEKTUKONTAKT SEMENJ.SI NAJ VSTOPI V SEMENJ Picture Projekt partnerji in Åje neidentificiranimi upravljavci projekta dolgoročno sodelovali pri izvajanju te stavbe ali nosilec tradicionalnih znanj (po delke) pripovedujete zgodbe in pravljice, se pesmi, Åje veste, kako so potekale Åjege in radi svoje vedenje in znanje prenesli tudi PRIDRUÅ...Å“ITE SE NAM Nudimo vam obiskovalcem in oblikovali turistični produkt? brezpлатno strokovno podporo pri interpretaciji turističnih produktov, in vas umestimo v register kompetenega centra SEMENJ.SI. Picture PÅjevo 11a 4000 Kranj info@dvzu.si 041 639 407 Picture Razumevanje in vrednotenje elementov kulturne dediščine je potrebno za oblikovanje in trenje turistične ponudbe. Projekt SEMENJ.SI spodbuja kulturni turizem in se ukvarja s prepoznavanjem in identifikacijo kulturne dediščine in njenih nosilcev in jih usposablja za predstavitev le te obiskovalcem. Na drugi strani se povezuje s turističnim gospodarstvom in vzpostavlja register ponudnikov dediščine za nadgradnjo turistične ponudbe. Picture Picture Create a free web site with Weebly
