Projekt SEMENJ.SI spodbuja kulturni turizem in se ukvarja s prepoznavanjem in identifikacijo kulturne dedijine in njenih nosilcev in jih usposablja za predstavitev le te obiskovalcem. Na drugi strani se povezuje s turistinim gospodarstvom in vzpostavlja register ponudnikov dedijine za nadgradnjo turistine ponudbe. Picture Picture Create a free web site with Weebly
