

House of Pleasure (There Was a House) (Volume 1)

Episode 1 of There Was a House saga, a continuing story of revenge and redemption. Fueled by rage and disgust, Phoenix runs away from home. The situation there had become unbearable. In fact, things couldn't get any worse.

But they do. Betrayed in New York by a boy who she thought was a new friend, she finds herself taken prisoner by a low-class pimp. Then, when she thinks she's on her way to her first seedy trick, Phoenix winds up locked in a limo with no way out. She wakes up in an illegal brothel in New Orleans. Phoenix vows she will find a way to destroy Antoine, the owner of the brothel. Instead of being Antoine's prostitute, she'll become his lover, his confidante, and pretty soon, his manager. And then, when he least suspects it, she'll bring the entire house down. She better be damn good. There will only be one chance. **Content Warning: This book is a drama meant for those over 18 and contains explicit scenes. Therefore, it contains adult themes and scenes which deal with a difficult topic.
