

## Alternative Lives: To Sleep, Perchance to Dream ... Another Life

Life changing events threatening to change everything for everyone, surface in extended sleep study. Subjects installed in specially designed sleep stasis chambers exhibit the astonishing and potentially dangerous effects. Ph.D Psychologist at Philadelphia's™s Jess Hawkins, University, Dr. Harold Treadwell, labored five years to create the unique stasis chambers. The original objective was to find cures for sicknesses not yielding to conventional medical treatments. The extraordinary results are totally unexpected and the military wants to take control of the process. Treadwell and his team must find a way to undo the jeopardy that they have created.
