

Chinese Paleo Cookbook: Delicious Chinese Paleo Diet Recipes to Eat Well and Feel Great

The title of the book says it all. This Chinese Paleo Cookbook offers a wide variety of traditional Asian recipes that are loved by everyone. These recipes are sectioned between appetizers and main course meals. Main course meals are further categorized between chicken, beef, duck and pork. These recipes are straight from the paleo kitchen, therefore each and every ingredient used is paleo approved. While compiling the Chinese paleo cookbook, we made sure to include recipes that are not very complex. Also we included the recipes that can be prepared quickly. Preparation time for every recipe is mentioned to let you organize your meal according to your suitability. If you follow the directions for each recipe then there is no chance your meal won't be cooked to perfection.
