

The Witching Hour (Lives of Mayfair Witches)

[A] huge and sprawling tale of horror. THE NEW YORK TIMES BOOK REVIEW Demonstrating once again her gift for spellbinding storytelling, Anne Rice makes real for us a great dynasty of four centuries of witches--a family given to poetry and incest, murder and philosophy, a family that over the ages is itself haunted by a powerful, dangerous, and seductive being called Lasher who haunts the Mayfair women.. Moving in time from today's New Orleans and San Francisco to long-ago Amsterdam and the France of Louis XIV, from the coffee plantations of Port-au-Prince to Civil War New Orleans and back to today, Anne Rice has spun a mesmerizing tale that challenges everything we believe in.
