

Reusable Centaur Study - Vol. II: Final Report

The Reusable Centaur Study, Report No. CASD-NAS-73-032, was prepared for NASA by General Dynamics Convair Aerospace Division under Contract NAS8-30290. This book reprints the Final Report, which is the second of 2 volumes. Released in 1974, this report offers a fascinating glimpse into the early stages of development of the Space Shuttle Centaur.
