

## Oath to Manslaughter (Extinction Book 3)

Oath to Manslaughter follows the lives of Kevin and Kiah, siblings who travel the world helping people to die with agency. They follow a practice of interviewing their candidates to see if they are severely ill and in need of assisted suicide. Kev and Kiah's story is one of psychological intrigue, gray morality, emotional void-spots and grief as they assist candidates who each ask to die in a creative way. (Note: This book contains sexual themes)
