

AQA Mathematics: Students Book: For GCSE

With objectives matched to GCSE grades at the start of each chapter and a focus on the essentials, these full colour books are easy to handle and deliver accessible personalised learning. Each year of Key Stage 4 is covered in a separate Students Book to make material more manageable. Learn sections contain concise examples with notes so students can focus on practice. Apply sections provide a wealth of practice questions to help students apply newly-learnt mathematical concepts, with a variety of question types. Explore section provides investigative activities, suggesting ideal topics for coursework. Assess section provides end of chapter exercises linked to grades written by an examiner so that students can see what level they are working at, and what they need to do to achieve higher grades.
