

House of Pain: A Caddy Rowland Psychological Thriller & Drama (There Was a House Series Book 2)

There Was a House saga is a gripping story about a very real crime taking place all around us. Set in the dark, depraved world of sex-trafficking, this epic continuing psychological thriller and drama spans four novel-length books, digging deep to tell the in-depth story of six victims and their hope for revenge and redemption. Book Two: House of Pain DECEIT Two years. Two years of living a lie, pretending love and loyalty to Antoine, the pimp who owns the house named RÃ^ave. The need for revenge boils in Phoenixâ€™s veins. She lives to find a way to destroy Antoine, his brothel, and the men who frequent the hellish place. DESPERATION Jamie has arrived along with his own issues. Dumped at RÃ^ave by his homophobic father, heâ€™ll do whatever it takes to ensure Antoine allows him to stayâ€™even if he has to play the role of flaming pretty boy for sale. Itâ€™s better than being sold off and forced to whore on the streets. DEVASTATION But heâ€™s the wildcard. Heâ€™ll be integral in taking Antoine down, and Phoenix senses it. With his sweet looking face and her cunning hatred, they will be unstoppable. At least, they should be. If only opportunity would present itself. Sometimes all you have is hate. Sometimes thatâ€™s enough. Themes, places, etc in this book: abduction,sex trafficking, violence to females, abuse of gays,womens issues,gay issues, victimization, cost to society
