

Blind Vengeance (Shara Farris Book 5)

Barry Hoffman returns with his fifth book in the critically acclaimed Eyes series. Teenager Renee LeShay has been kidnapped by Norman Flowers, an unhinged victim of homicide detective Lamar Briggs, who thinks he has abducted Briggs daughter Alexis. Shara Farris, a bounty hunter and Renees legal guardian, has to unmask and locate the abductor before he tires of torturing Renee and kills her. Renee, aware she is not the intended victim, assumes Alexis identity and engages in a battle of wills with her kidnapper. A taut tale of full of twists and turns with Renees sanity and life in the balance.
