

## Memory Lapse: A Slater Vance Novel

In the town of Charleston, Slater Vance has his life situated exactly as he wants it: his private Investigation firm, Exposed Inc., is successful and keeps him knee-deep in other peoples misfortunes; his love life is causal, no heavy entanglements - the only exception is Bennie, his crusty old secretary. And when his brother, the Father, beseeches him to help a woman whod lost her memory in an automobile accident, he cant refuse. For reasons he cant explain, Slater is confused but intrigued by the mysterious woman with no memory. It seems the more he discovers about her, the less he actually knows. Things come to a head in a startling way when her husband comes to claim her. Slater knows first-hand what evil lies in the hearts of men. But will he be able to save the mysterious woman before the evil destroys them all?
