

## Transformation - The Breakthrough

The sequel to the bestselling COMMUNION. From inside front cover: TRANSFORMATION. The visitors are sweeping up from where we buried them under layers of denial and false assurance to deliver what is truly a message from the beyond: There is something more to us and our universe, and it is rich with the potential of the unknown. They have caused me to slough off my old view of the world like the dismal skin that it was and seek a completely new vision of this magnificent, mysterious and fiercely alive universe.
